Message of the Worshipful Master

Brethren:

March was an eventful month for the Lodge. I would like to start off with an apology for the mix-up on dinner being served at our March 2nd meeting. Due to weather concerns for our appendant body that was scheduled to serve the meal, it was communicated that the dinner was off. Your WM then learned that it is an unwritten tradition at Golden for the brothers to improvise and take care of the meal ourselves in a situation like this. Rest assured that going forward; there will always be a dinner of some sort on the first meeting of the month!

The second meeting of the month had the Grand Master visiting an open joint communication of Golden City #1, Harmony #61, Miracle #182 and Mosaic #184 comprised of more than 75 brothers and guests. The Grand Master and his line delivered several messages that evening on strategic goals and interests for the coming year.

Many thanks go out to the OES for their wonderful Irish stew dinner for the Grand Master visit and to the DeMolay for providing the servers for the evening. That was a larger gathering to serve efficiently.

Our youth groups were also active during the month, with Selena Gonzalez-Lopez, Grand Worthy Advisor, visiting Columbine Assembly #96 on the 21st. And the Golden Chapter, Order of DeMolay met with Golden Mayor Marjorie Sloan during as she proclaimed March as DeMolay Month in Golden. The energy of our youth groups and their advisors continues to amaze me!

April will be busy with an FC degree during our first meeting and two EA degrees during our second meeting. Our SW and JW are busy lining up their casts for each of these degrees, so please support them in their requests as we look to perfect our degree work. I understand that we are scheduled to have at least one first-time lecturer during our FC ceremony, which is absolutely fantastic.

Finally, our Grand Master has issued an edict to enforce ritual proficiency by the officers of the lodge. This will impact current and future officers, so look for more discussion and work on ritualistic proficiency for the rest of the year. The Grand Master is very focused on demonstrated proficiency for some of the basic activities of masonry including rituals, degree work, lodge finances and temple administration, so expect to see more guidance from the Grand Master as the year progresses.

Fraternally,

Kevin Alcox – Worshipful Master 2015
