Message of the Worshipful Master

Brethren:

It seems that Spring is finally upon us. And just like the awakening of Mother Earth around us, so is the awareness of our ancient craft. We have gained three more brothers with the Initiation of Andrew Baldwin, Canion Puckett and Rex Young. Congratulations to the newly made brothers and to the degree cast who delivered an exceptional ceremony – truly one of the best EA degree ceremonies I have participated in. And Brother Erick Carlson took another step in his masonic journey with his Passing in early April. Congratulations to him as well. All of this wonderful degree activity shows commitment to the craft by both the brothers moving to the next level of masonry and the brothers delivering the degree. Although I have had some recent concerns about the number of seats occupied on a given night, the quality of the recent degree work and the quantity of it reassures me that the core of the lodge is still strong and growing.

The month of May will see us continuing our degree work combined with some necessary lodge and committee work as we labor to improve our temple and our fraternal body. So please join us for the first meeting in May to ask questions of your committees and boards. We have a mere three regular communications left before we go dark for the summer. And two of those three meetings will be degree nights. It has been a long time since the lodge has participated in the Nevadaville Ghost Town Raising, but this year we will have a participant. So clear your calendars for Saturday June 6th and join several other lodges for a very special day. And since our degree team will be performing in front of several other lodges, I will be looking forward to multiple practices to make sure we are sharp. Beyond our Ghost Town candidate, we could have one or two more brothers ready for their MM degree and possibly some other brothers will be ready for their FC degrees meaning Special Communications await us in June.

Please keep July 22-26 open on your calendar to support Brother Ryan Puckett and the lodge at Buffalo Bill Days. This is a great public relations event for the lodge.

Finally, our new District Lecturer, W.B. Scott Swartz has been a frequent and welcome addition to our meetings recently. In addition to keeping us informed on Grand Lodge events, he is also working with us to make sure that our officer line is proficient as required by the Most Worshipful Grand Master.

Fraternally,

Kevin Alcox – Worshipful Master 2015
